FOOD ALLERGY OR INTOLERANCE?

The following table lists all our food items with their relevant allergen information.

If you have a food allergy, intolerance, or coeliac disease – please speak to the staff about the ingredients in your food and drink before you order.

NOTE: We prepare our food in the kitchen where allergens are handled by our people, and where equipment and utensils are used for multiple menu items including those containing allergens.

Although your meal is prepared with care, we cannot guarantee it will be allergen free even after ingredients have been removed upon request.

Please also note that our fried products may be cooked in the same oil as other products.
